Twelve Quodlibets

for Pianoforte
Price net $1.25

THESE two works represent two distinct styles.

In conception and execution they are dissimilar. Certain inherent properties unite all the pieces of each set into a characteristic whole, but in form and content, no two pieces resemble each other.

The Quodlibets are the expression of the inner man; the Impressions are the reflection of nature.

In the Quodlibets, inspiration is sought within; in the Impressions, it is found "out in the open."

The Impressions are definite in their portrayal. The Quodlibets leave all to the imagination of the hearer.
